laundriroom

FOR OUR LAUNDRY PARTNERS

Partner Playbook

How to set up, run every order, grow and get paid on laundriroom — step by step, for managers and their teams.

WHAT'S INSIDE

The playbook in four parts

1

Set up

Sign-in, verification, branches, your team, payouts and tags.

2

Every order

The tablet routine, from the queue to the handover.

3

Grow and get paid

Your page, promotions, payouts and your books.

4

Standards and help

Reviews, golden rules, your daily routine and support.

YOUR TEAM

Who does what

What	Main manager	Attendant
Work orders: queue, check-in, stages, handover	Yes	Yes
Enter walk-in and phone orders	Yes	Yes
Find, mark and reprint tags	Yes	Yes
Request a new item type	Yes	Yes
Generate tags, approve item types, run promos	Yes	No
Branches, Team and the payout account	Yes	No
Ledger, payouts and statements	Yes	No

Riders need no account — the customer's PIN confirms each pickup and delivery. A **branch manager** works like an attendant for one branch.

YOUR FIRST WEEK

Eight steps to go live

1. **Accept the Partner Agreement**
   Verification
2. **Upload your ID and CAC**
   Verification
3. **Add your payout bank account**
   Ledger → Payout account
4. **Check branches and hours**
   Branches
5. **Invite your team**
   Team
6. **Print your first tags**
   Tags
7. **Run a practice order together**
   Queue → New order
8. **Share your page and QR code**
   My page

PART 1 · SET UP · 1 OF 6

Signing in

1. **Sign in with your email**
   Open the laundriroom website, tap Sign in and use your own email and password.

2. **Learn the menu**
   Queue, Tags, My page, Branches, Item requests, Reviews, Promos — managers also see Team and Ledger.

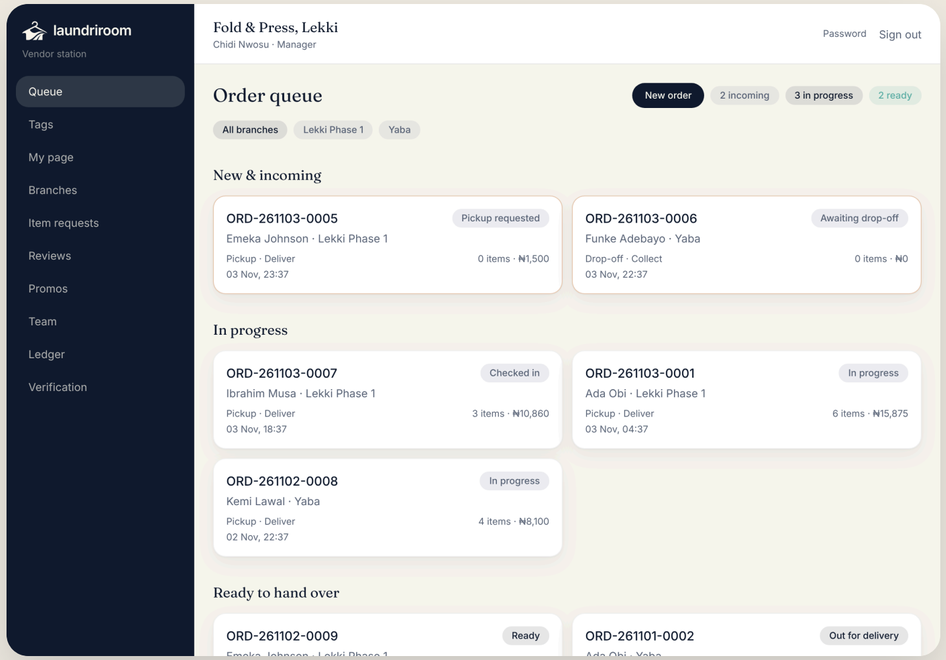

3. **Use any device**
   Made for a tablet at the counter; it works on a phone or laptop too.

FOR YOUR BUSINESS

One screen runs the whole shop.

FOR YOUR CUSTOMERS

Faster, better organised service.

Verify your business

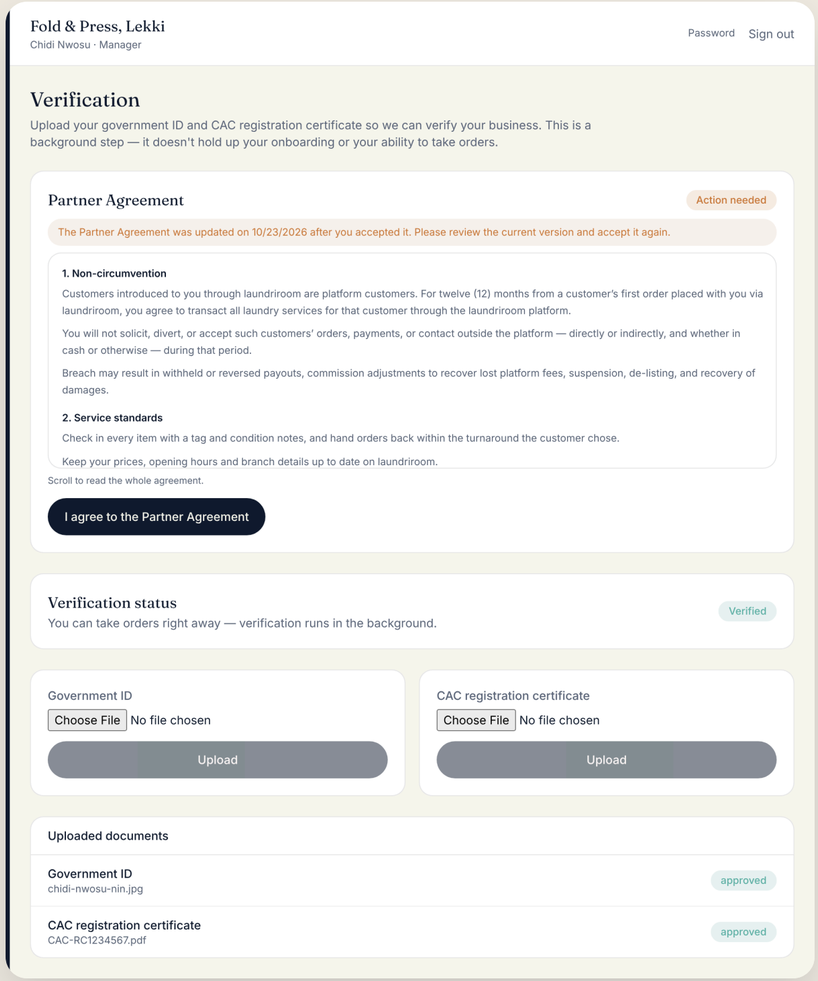

1. **Accept the Partner Agreement**
   Open Verification, read the terms and accept them — the main manager does this once.

2. **Upload your ID and CAC**
   A government ID and your CAC certificate. You can keep trading while we review them.

3. **Earn the Verified badge**
   Once checked, “Verified business” appears on your page and in the app.

FOR YOUR BUSINESS
Customers choose verified laundries first.

FOR YOUR CUSTOMERS
They know exactly who they’re dealing with.

Branches and hours

1 **Add each shop**

Branches → Add a branch: name, address, phone and opening hours.

2 **Keep hours accurate**

Customers can only drop off or book a pickup while a branch is open.

3 **Closed for the day?**

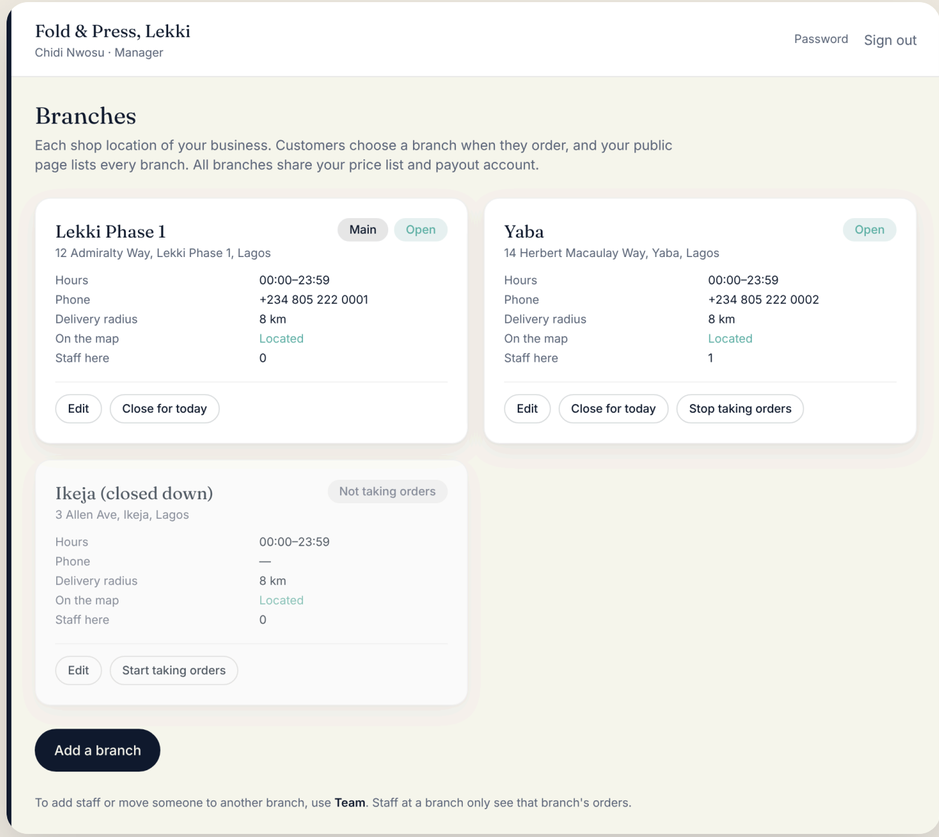

Tap Close for today; tap Start taking orders when you reopen.

FOR YOUR BUSINESS

Every shop under one account and one price list.

FOR YOUR CUSTOMERS

The nearest branch, with hours they can trust.

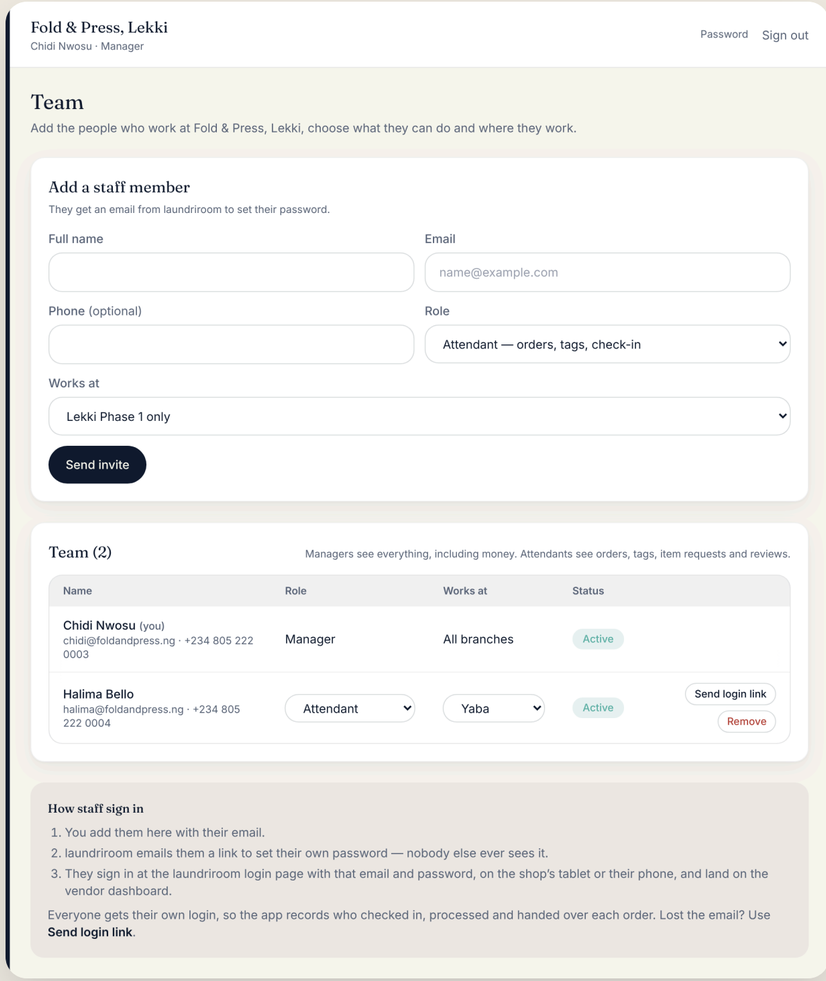

Adding your team

1. **Invite by email**
   Team → Add a staff member: name, email, role and branch, then Send invite.

2. **They set their own password**
   laundriroom emails them a link; nobody else ever sees their password.

3. **Change or remove anytime**
   Change role or branch, resend a login link, or remove someone who leaves.

FOR YOUR BUSINESS

You always know who did what.

FOR YOUR CUSTOMERS

A trained team that owns every step.

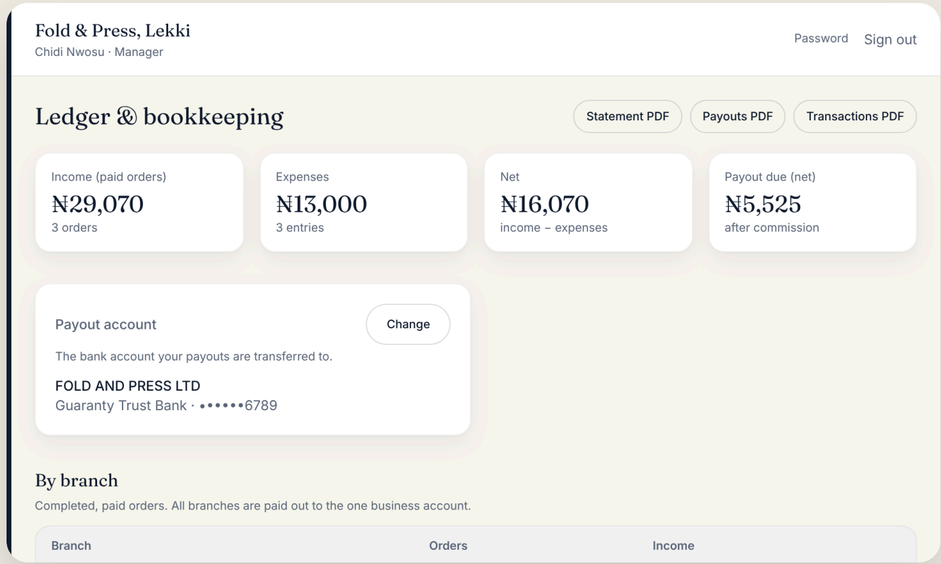

PART 1 · SET UP · 5 OF 6

Your payout account

1. **Add your bank account**
   Ledger → Payout account → Change: bank, account number and account name.

2. **We check the name**
   The account name is checked with the bank before it’s saved.

3. **One account, every branch**
   All your branches are paid into this one business account.

FOR YOUR BUSINESS
Paid automatically, order by order.

FOR YOUR CUSTOMERS
They pay once, safely, in the app.

Printing your tags

1 **Generate a batch**

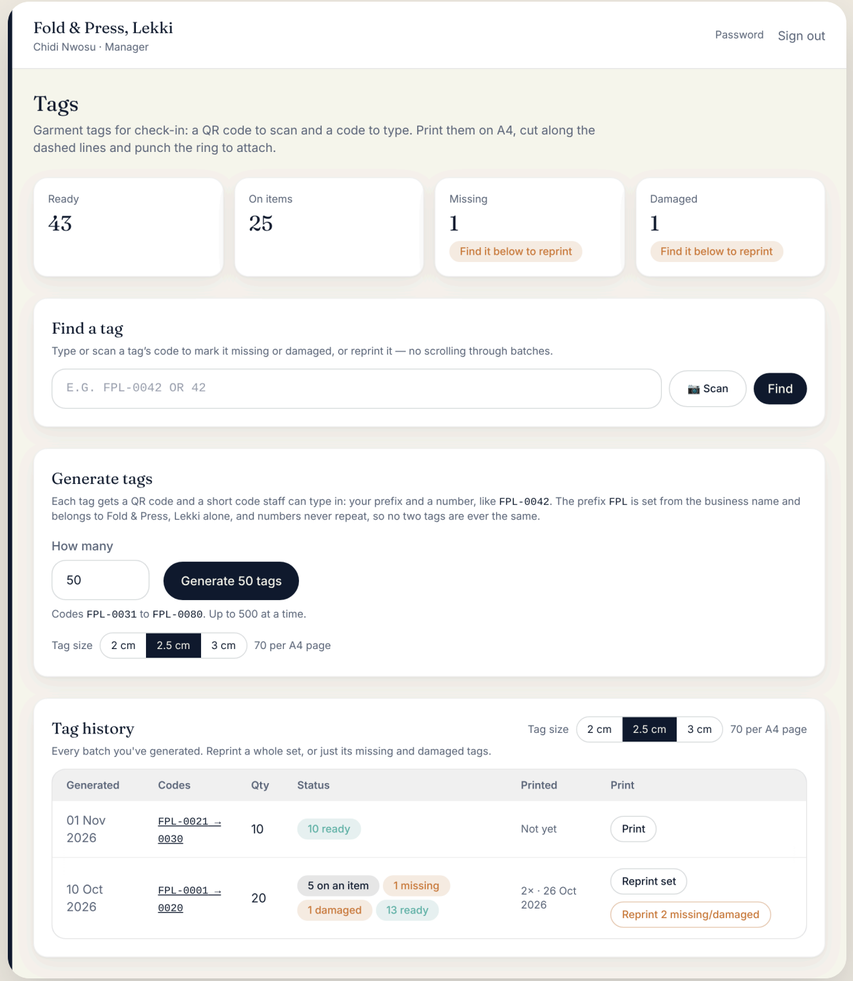

Tags → How many → Generate. Codes use your own prefix, like FPL-0042.

2 **Print at actual size**

Pick 2, 2.5 or 3 cm. Print at 100% and check the 5 cm ruler on the page.

3 **Cut, punch, attach**

Cut along the dashed lines and punch the ring for a pin or tag gun.

FOR YOUR BUSINESS

Faster check-in, no mix-ups.

FOR YOUR CUSTOMERS

Their clothes never get lost.

PART 2 · EVERY ORDER · 1 OF 9

Your order queue

1. **New & incoming**
   New orders land here, and branch staff get an email or WhatsApp alert.

2. **In progress**
   Orders being checked in or moving through the stages.

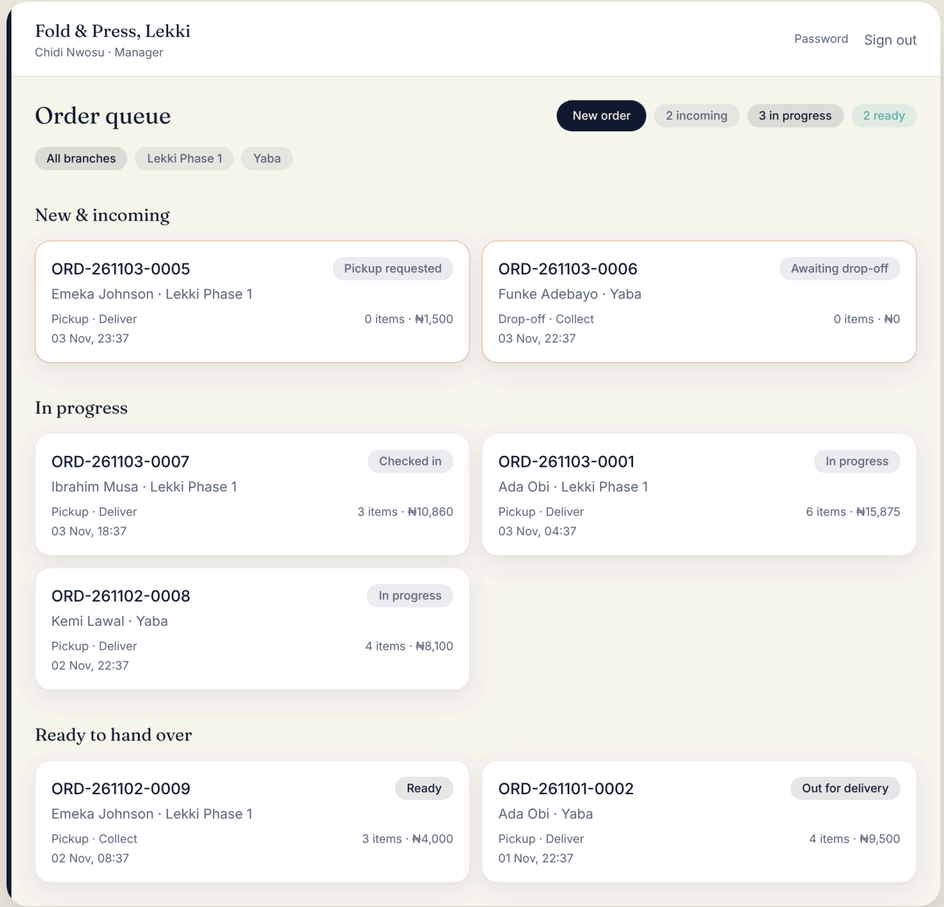

3. **Ready to hand over**
   Waiting for the customer to collect, or out with a rider.

FOR YOUR BUSINESS

Nothing gets lost in a chat thread.

FOR YOUR CUSTOMERS

Their order is seen straight away.

Walk-in orders

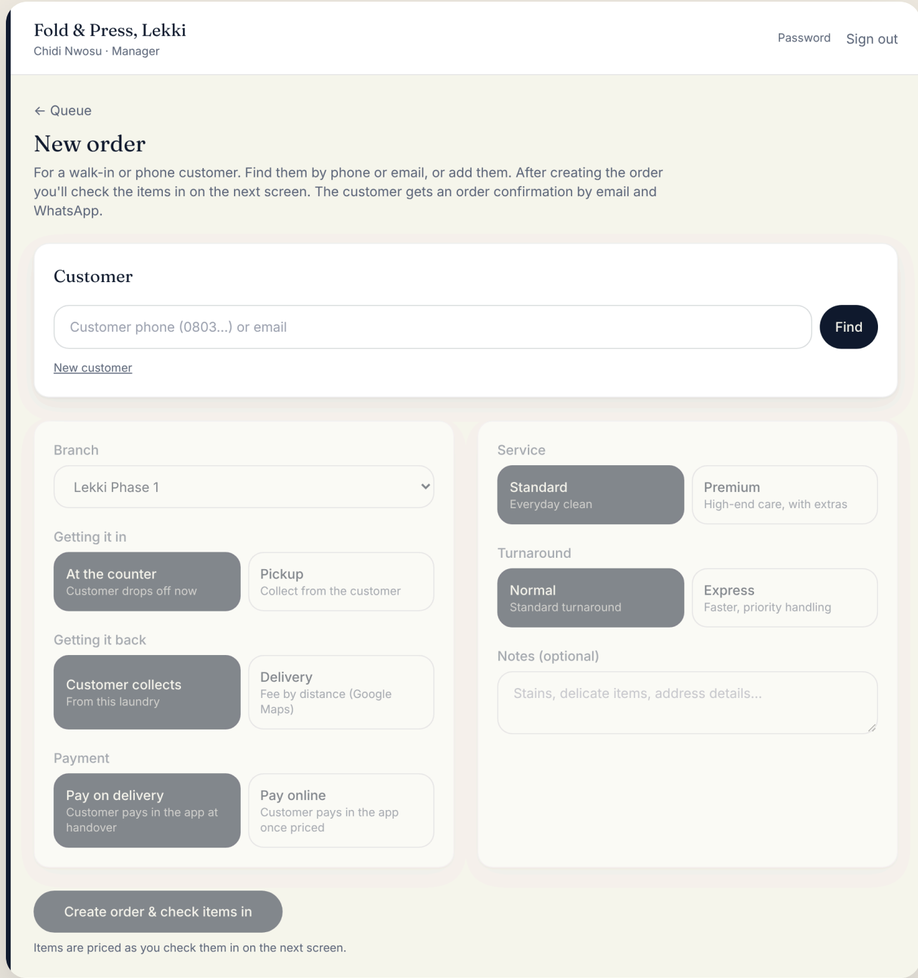

1. **Find the customer**
   Queue → New order: search their phone or email, or add them as new.

2. **Choose the options**
   Branch, how it comes in and goes back, service, turnaround and payment.

3. **Create and check in**
   Tap Create order & check items in — you go straight to check-in.

FOR YOUR BUSINESS
Every order in one place — app or counter.

FOR YOUR CUSTOMERS
Updates and payment in the app.

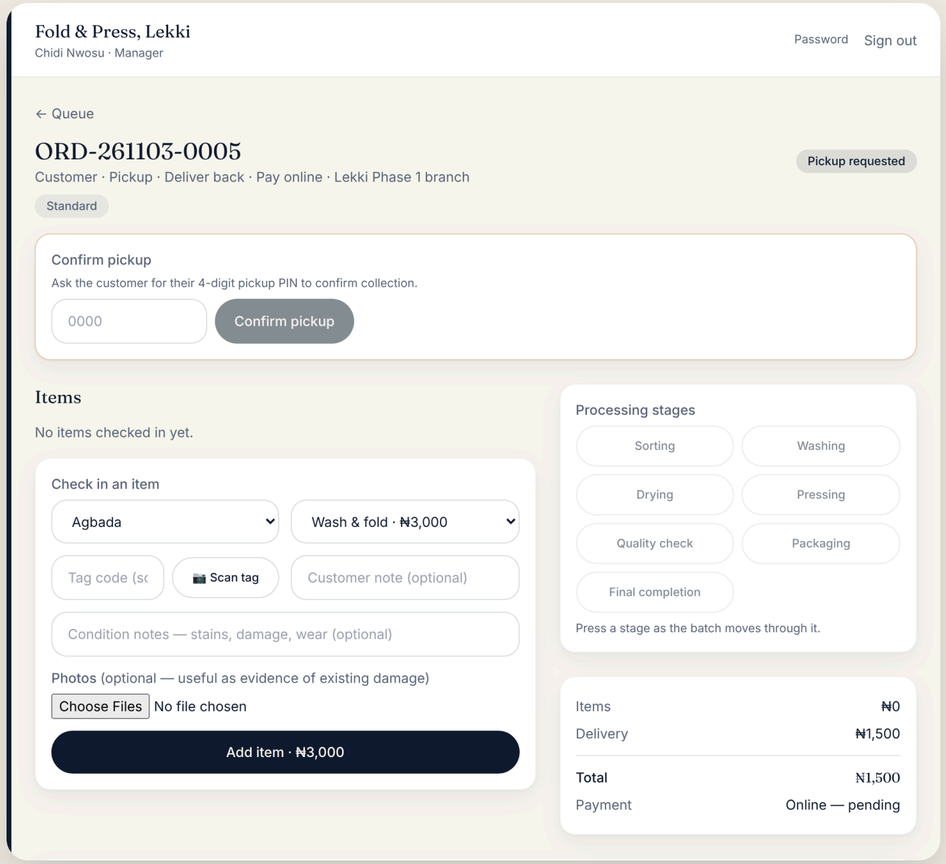

PART 2 · EVERY ORDER · 3 OF 9

Collecting a pickup

1. **Send a rider**
   Your own rider or a dispatch partner goes to the customer's address.

2. **Ask for the pickup PIN**
   The customer shows a 4-digit PIN in their app.

3. **Confirm pickup**
   Enter the PIN on the order and tap Confirm pickup.

FOR YOUR BUSINESS
Proof of every collection.

FOR YOUR CUSTOMERS
Clothes leave only with the right rider.

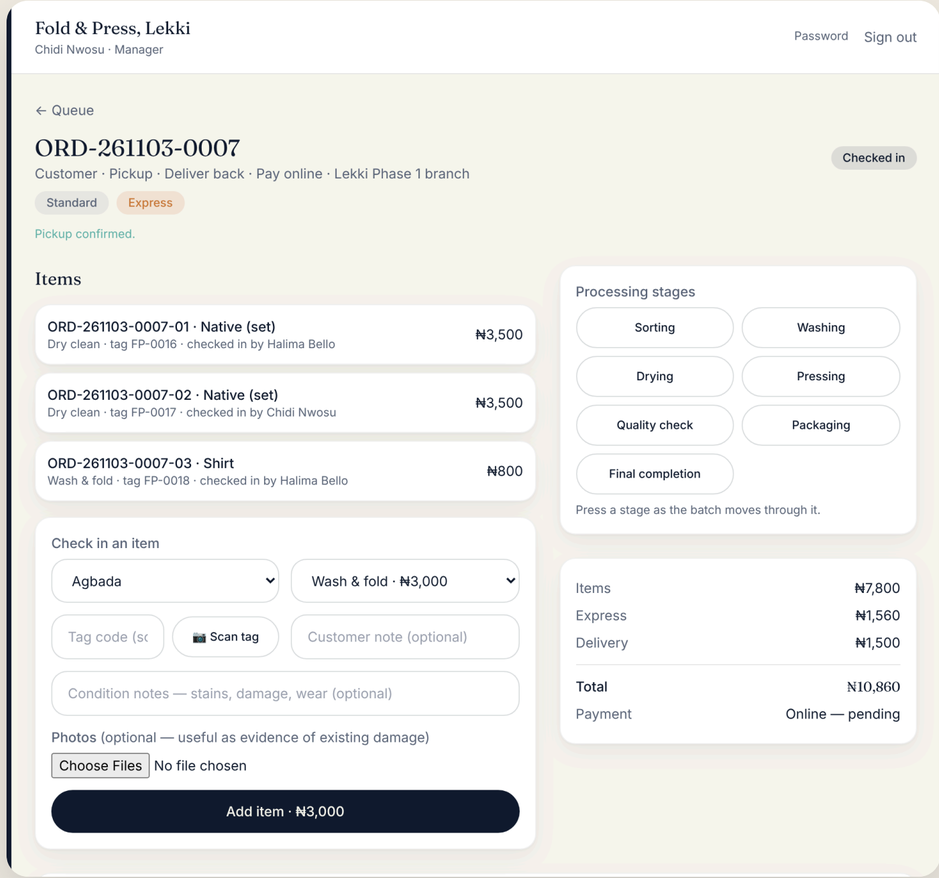

PART 2 · EVERY ORDER · 4 OF 9

Checking items in

1. **Tag it**
   Attach a tag, then tap Scan tag — or type the code.

2. **Choose item and service**
   The price comes from your price list automatically.

3. **Note any damage, then Add item**
   Condition notes and photos are optional — use them for stains or tears.

FOR YOUR BUSINESS

Proof against unfair damage claims.

FOR YOUR CUSTOMERS

An itemised bill they can trust.

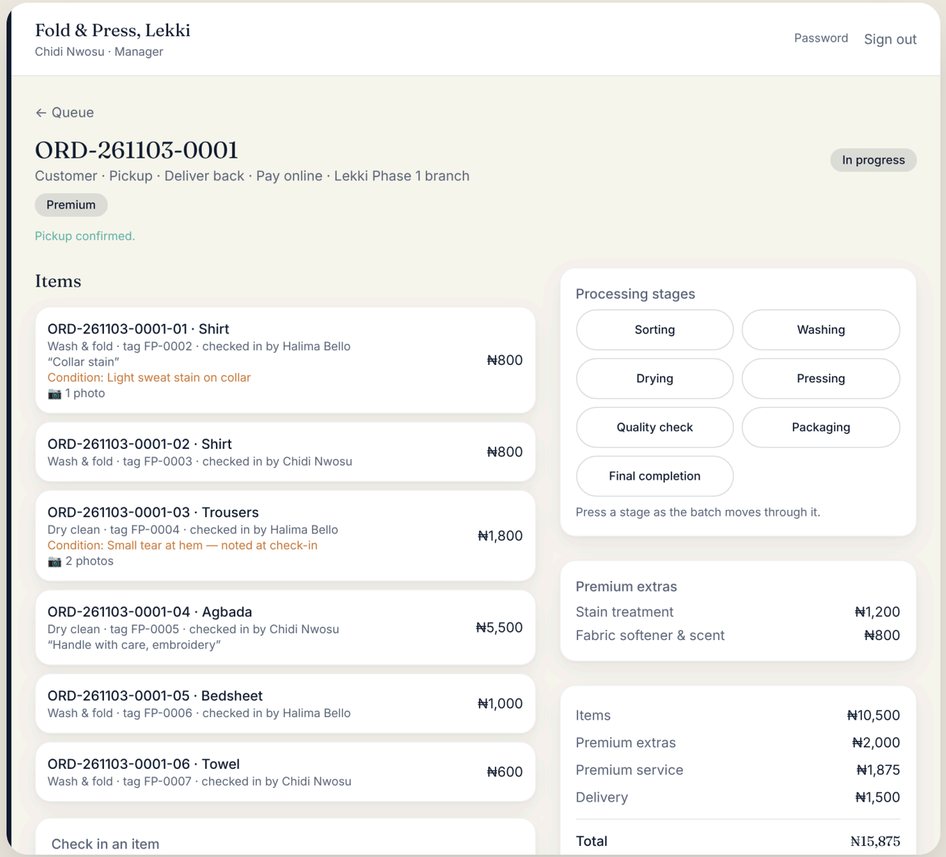

PART 2 · EVERY ORDER · 5 OF 9

Moving through stages

1. **Tap each stage as it happens**
   Sorting, washing, drying, pressing, quality check, packaging.

2. **Stages go in order**
   Skipping one needs a manager, so the quality check always happens.

3. **Final completion**
   Marks the order ready; the customer sees it in their app.

FOR YOUR BUSINESS
Fewer "is it ready?" calls.

FOR YOUR CUSTOMERS
They follow progress live.

PART 2 · EVERY ORDER · 6 OF 9

The handover

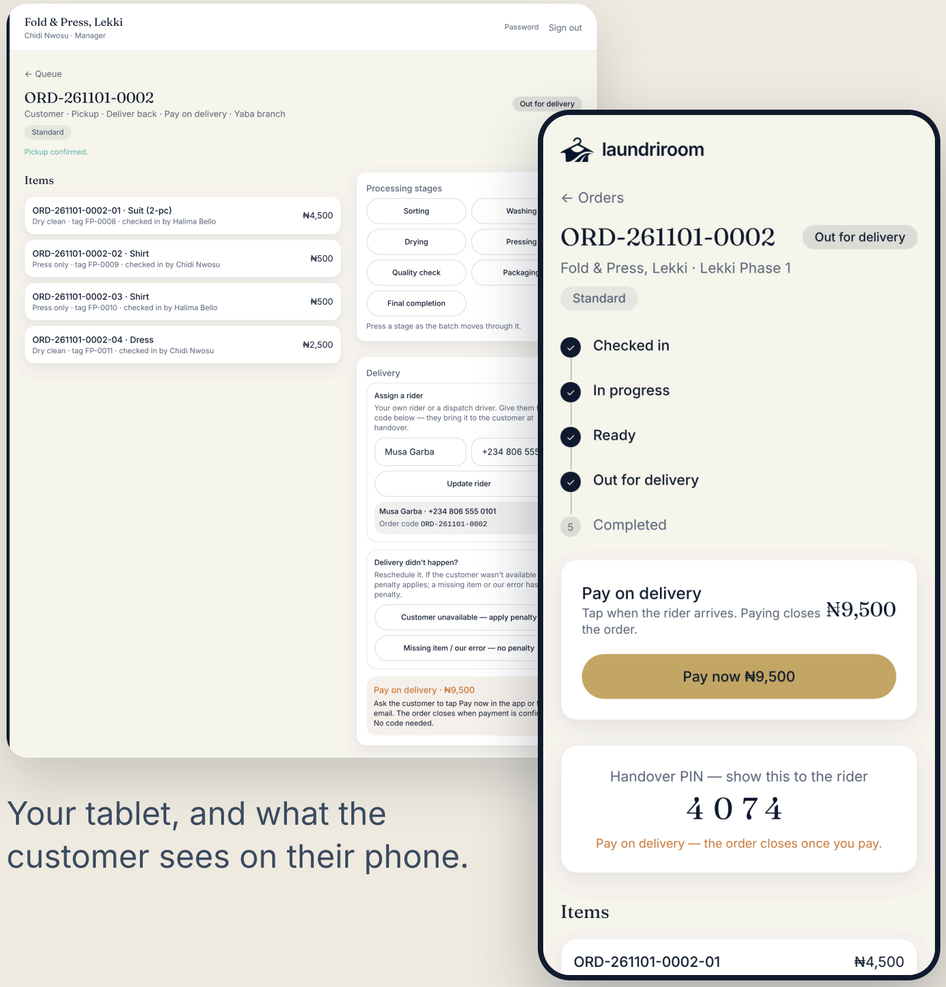

1. **Send it out**
   Add the rider’s name and phone, then Send out for delivery.

2. **Confirm the handover PIN**
   The customer shows a 4-digit PIN; entering it closes the order.

3. **Pay on delivery? No cash**
   The customer taps Pay now in the app at the door — that closes it.

FOR YOUR BUSINESS
Proof of delivery, no cash to handle.

FOR YOUR CUSTOMERS
Their clothes go only to them.

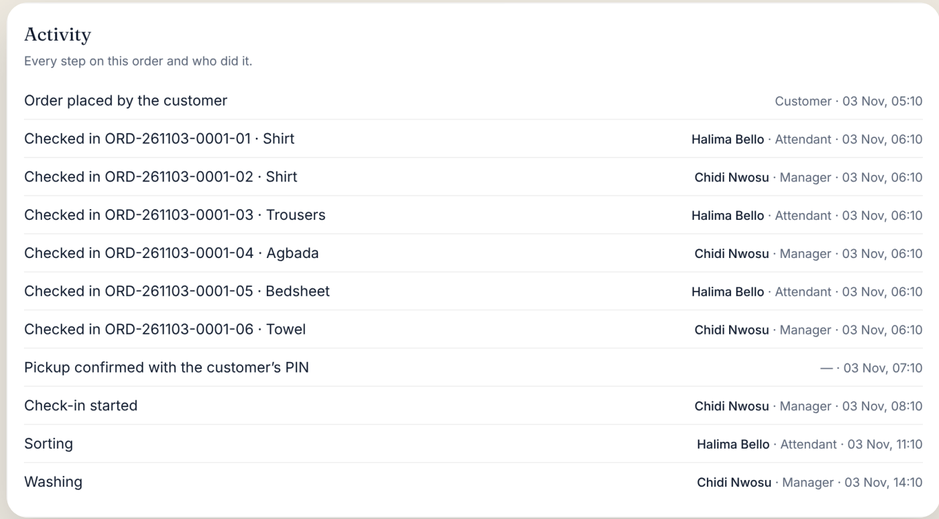

Your tablet, and what the customer sees on their phone.

Who did what

1. **Every step is recorded**
   The Activity list on each order shows pickup, check-in, stages and handover.

2. **With the name and time**
   Each item also shows who checked it in.

3. **One login per person**
   Shared logins make everyone look like the same person.

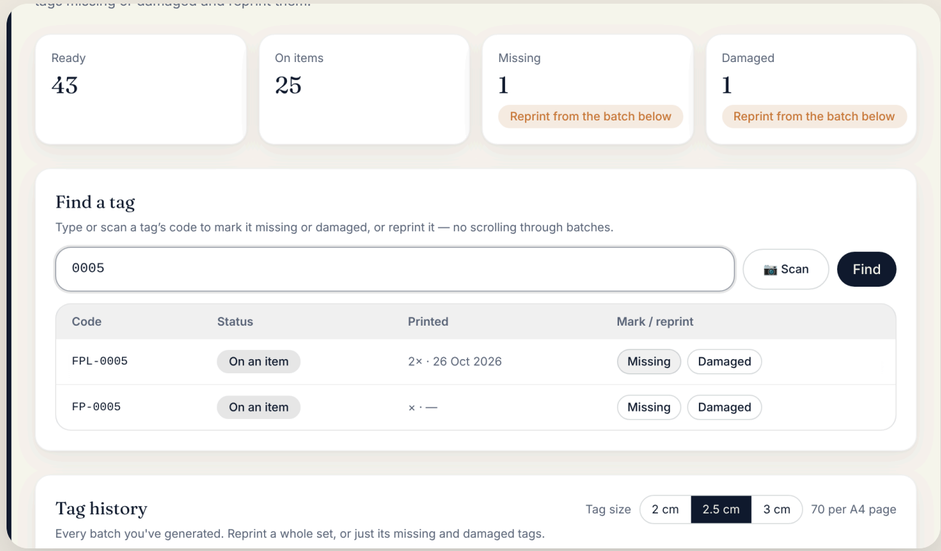

FOR YOUR BUSINESS
Accountability without paperwork.

FOR YOUR CUSTOMERS
Problems get traced and fixed fast.

Lost or damaged tags

1. **Find the tag**
   Tags → Find a tag: type the code, just its number, or scan it.
2. **Mark it**
   Missing or Damaged — or Found it if it turns up again.
3. **Reprint it**
   Reprint just that tag — the same code goes back into use.

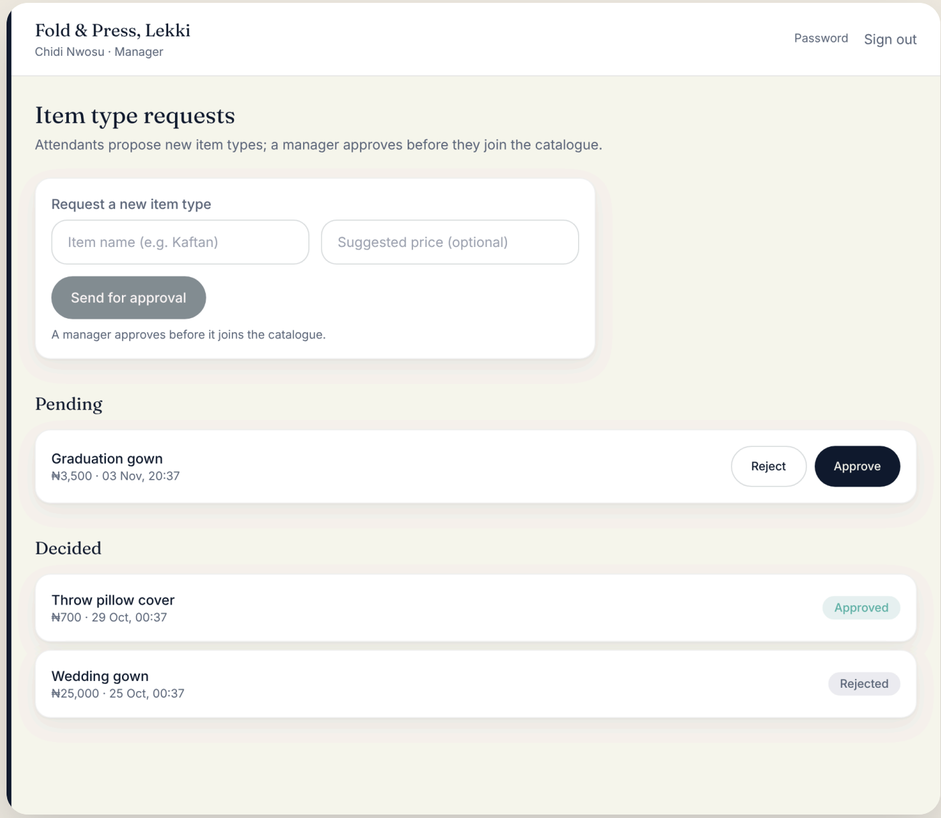

FOR YOUR BUSINESS
No scrolling, no guesswork.

FOR YOUR CUSTOMERS
Every garment stays tagged.

PART 2 · EVERY ORDER · 9 OF 9

New item types

1. **Request it**
   Item requests: enter the item’s name and a suggested price.
2. **The manager decides**
   The main manager taps Approve or Reject.
3. **Ready for check-in**
   Approved items join your list and can be checked in.

FOR YOUR BUSINESS

A price for anything customers bring.

FOR YOUR CUSTOMERS

Fair, consistent prices for unusual items.

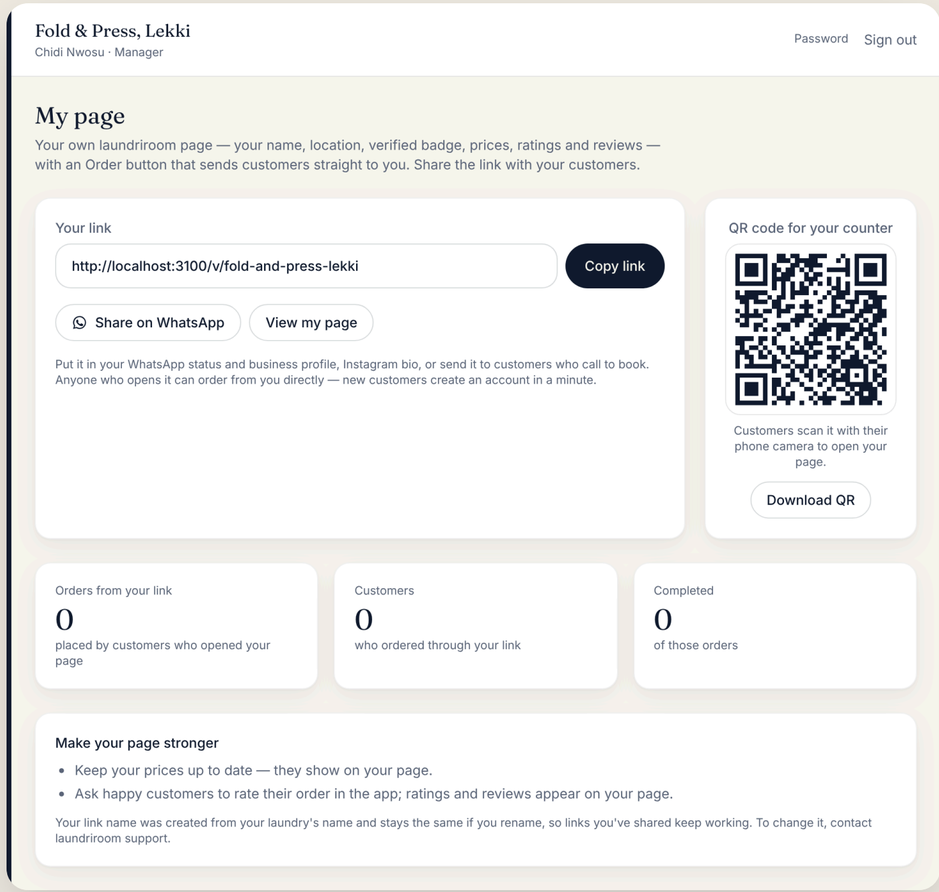

PART 3 · GROW AND GET PAID · 1 OF 4

Your page and QR code

1. **Share your link**
   My page → Copy link, or send it straight to WhatsApp.

2. **Print your QR code**
   Download QR and put it on the counter, receipts and flyers.

3. **See what it brings in**
   Track the orders and customers that came through your link.

FOR YOUR BUSINESS

Your regulars become tracked, paid orders.

FOR YOUR CUSTOMERS

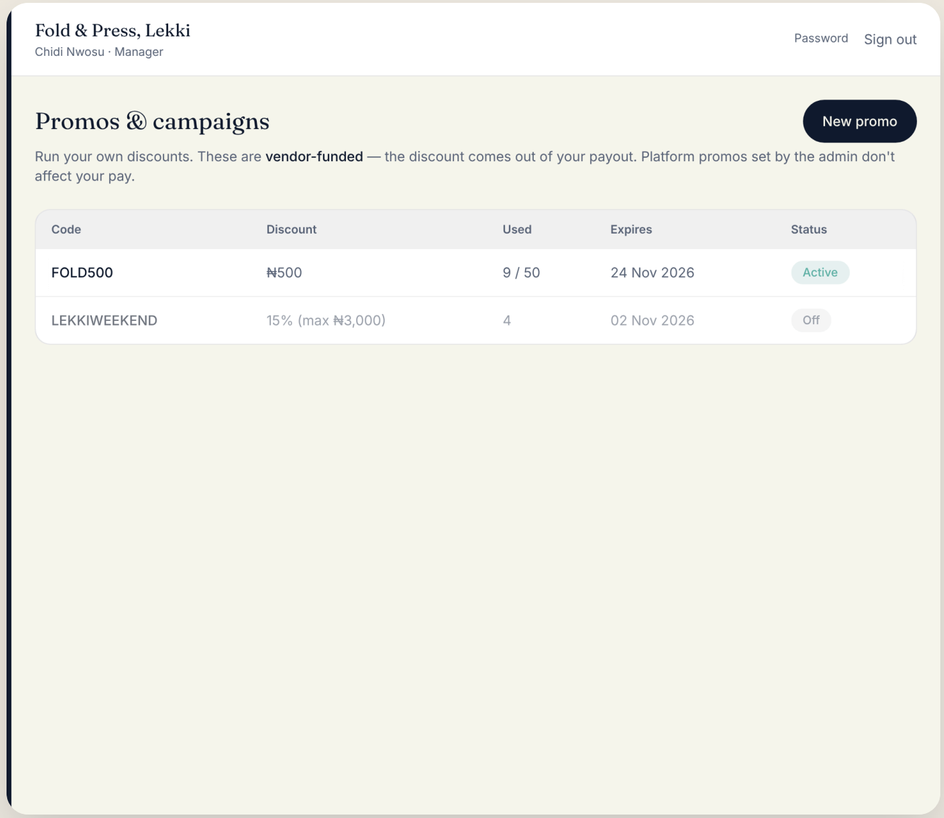

They order from you without a phone call.

Running promotions

1. **Create a code**
   Promos → New promo: a code like FOLD10, a percent or fixed amount.

2. **Set the limits**
   A usage limit, a limit per customer and an expiry date.

3. **You fund your codes**
   Your discount comes out of your payout; laundriroom's promos don't.

FOR YOUR BUSINESS
Fill quiet days on your own terms.

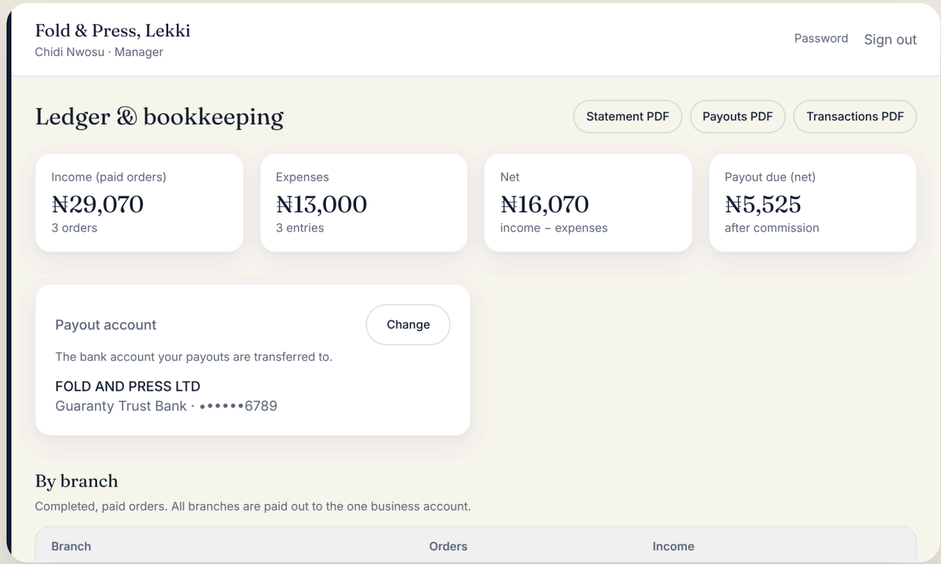

FOR YOUR CUSTOMERS
Rewards from a laundry they like.

How you get paid

1. **The order is completed and paid**
   The handover PIN, or the payment at the door, closes it.

2. **You get your full price**
   Our [__%] commission is added on top for the customer.

3. **Paid to your bank**
   Automatically, to your payout account, and logged in the Ledger.

FOR YOUR BUSINESS
No invoices, no month-end wait.

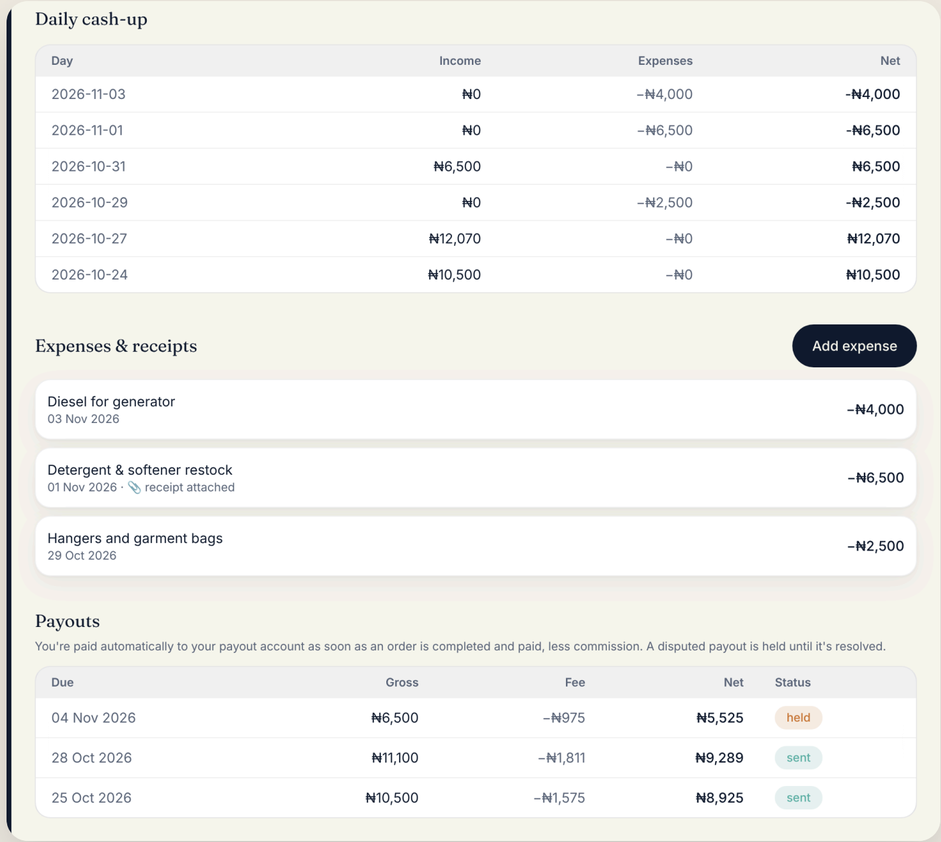

FOR YOUR CUSTOMERS
One safe payment, in the app.

Keeping your books

1. **Income at a glance**
   Income, expenses, net and payout due — and income by branch.

2. **Log your expenses**
   Add expense: diesel, detergent, hangers — attach the receipt.

3. **Download statements**
   Statement, Payouts and Transactions PDFs for your accountant.

FOR YOUR BUSINESS

Books that keep themselves.

FOR YOUR CUSTOMERS

A well-run laundry they can rely on.

Reviews and quality

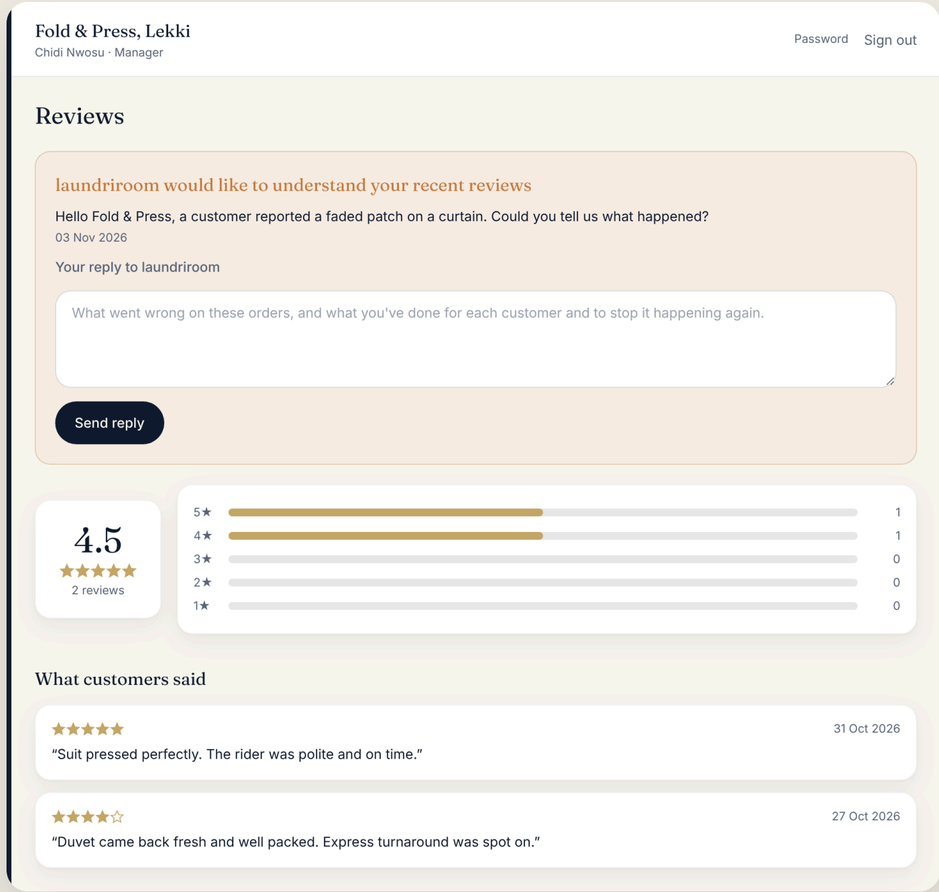

1. **Watch your rating**
   Reviews shows every rating; a 1–2★ review also alerts you straight away.

2. **Call the customer**
   Reach out and put it right quickly — it often turns things around.

3. **Answer laundriroom**
   If low ratings repeat, we ask what happened; reply on this page.

FOR YOUR BUSINESS
A strong rating wins new customers.

FOR YOUR CUSTOMERS
A standard they can count on.

Six golden rules

Tag every item

No tag, no check-in. It’s how nothing gets lost.

Always use the PIN

No clothes change hands without the customer’s PIN.

Record damage

A note and a photo at check-in protect you later.

Your own login

Never share passwords; the app records who did what.

Keep hours true

Close for the day when you’re shut.

Keep it in the app

Customers we bring you are served in the app for 12 months.

A day at the counter

When	What to do
Opening	Check your branch is open, then look through New & incoming.
Each drop-off	Tag and check in every item, and note any damage.
Through the day	Tap each stage as it happens; send ready orders out.
Every handover	Confirm the PIN — or let pay-on-delivery customers pay in the app.
Closing	Check Ready to hand over, and sign out of the shared tablet.
Weekly (manager)	Read reviews, check tag stock, log expenses, look at the Ledger.
